Response to Office Communication of March 30, 2006

Sir:

In response to the Office Communication mailed March 30, 2006, applicant resubmits 1) a marked copy of the Specification under 37 CFR 1.121 and a clean copy under 37 CFR 1.125.

Applicant's attorney cannot understand why Examiner Colbert did not issue this objection in her Office Communication dated December 20, 2005 regarding the placement of Replacement Sheet for the Figures. Three months are wasted. Applicant requests that this Examiner examine the numerous mistakes made by the previous Examiner in the prosecution of this case. It is respectfully requested that the substantive examination finally commence and further time not be wasted.

Respectfully Submitted,
